Open Enrollment Is **November 1 – 30**

Select the plans and coverage levels you want for 2024 in the following plans: Health Care, Dental Care, Vision Care, Health Care Flexible Spending Account (HCFSA), Dependent Care Flexible Spending Account (DCFSA) and Life Insurance. Your benefit choices are effective January 1, 2024.

**Five Actions to Get the Most from Your Benefits**

1. **See what’s new.** We’ve made some improvements to your benefits for 2024, including the ability to make Roth (after tax) contributions to the Optional Retirement plan and a new disability and leave administration partner.

2. **Compare your options.** Don’t miss the opportunity to explore and make changes to your health, dental, and vision coverage to be confident you have the coverage that’s right for you and your family in 2024.
   - If you take no action during Open Enrollment, your 2023 Health, Dental and Vision Care elections will roll over into 2024.
   - If you want to participate in Health Care or Dependent Care Flexible Spending Accounts in 2024, you **must enroll** even if you currently participate. To receive the 2024 Dependent Care subsidy, you must select it during Open Enrollment.

3. **View your 2024 coverage rates.** New deductions for 2024 premiums (if applicable) will appear in your January 12, 2024, paycheck.

4. **Log on to www.rfsuny.org/selfservice, starting November 1.** If you’re unable to enroll online, you can submit the proper forms to your campus Benefits Office.

5. **Print your enrollment confirmation statement.** Once you’ve made your elections online through Employee Self Service, print your confirmation statement for proof of your enrollment in the event of a discrepancy.

What’s New for 2024

**Roth Contributions: A New Way to Save**

Effective January 1, 2024, you can begin making Roth contributions to the Optional Retirement plan. By offering Roth contributions you have greater flexibility to manage your savings in the future. You can continue to make traditional before-tax contributions, new Roth contributions or a combination of the two.

Roth contributions offer you a different type of tax advantage: the earnings you accumulate in a Roth account can provide you with tax-free income in retirement. But there’s a tradeoff—Roth contributions are made on an after-tax basis, so they don’t reduce your current taxes the way before-tax contributions to the Optional Retirement plan do.

Look for more information on the new Roth savings feature coming from TIAA in late November to help you make an informed decision about which type of contribution will work best for you. You can also go to [www.tiaa.org/rfsuny](http://www.tiaa.org/rfsuny) to learn more.

**Disability and Leave Administration: Improving the Experience**

Beginning January 1, 2024, the RF will partner with The Standard to administer Long-Term Disability, Voluntary Disability, New York State Short-Term Disability and Paid Family Leave benefits. The Standard is a leading provider of group and individual disability insurance that was chosen because of its overall track record and caring and compassionate service approach.

The transition to The Standard will improve the overall experience for employees on a leave of absence, including a more streamlined claims process, and lower employee premiums for voluntary Short-Term Disability coverage.

**Making the Transition**

If you’re enrolled in Voluntary Short-Term Disability, you will see a reduction in your bi-weekly cost starting with the January 12th, 2024, payroll.

If your New York State Disability or Paid Family leave begins prior to January 1, 2024, your claim will remain with First Reliance. Leaves beginning January 1, 2024 or after will be administered by The Standard.

*Express Scripts will provide you with a Prescription Drug identification card, which you present to the pharmacist at a participating pharmacy when a prescription is filled. Do not use your Anthem Blue Cross PPO card at the pharmacy—Anthem Blue Cross does not cover prescription drugs for members of the PPO plan.*
Deductible vs. Copayment/Coinsurance: What’s the Difference?

**Deductible**
The annual deductible is the amount you must pay each calendar year out of pocket for care before the plan pays benefits.

**Copayment**
The dollar amount you pay when you receive care. The plan pays the remaining amount.

**Coinsurance**
The percentage of the health care cost you pay when you receive care. The plan pays the remaining percentage.

Benefit Plan Transitions: New Names, New Brands, Same Service

You will see three of our current benefit plans transition their names to align with new brands in the marketplace. There will be no impact to your plans, pricing, networks or coverage.

**Empire BlueCross**

Empire BlueCross will become Anthem Blue Cross. Empire has been operating as an Anthem company since 2006 and will remain part of the Blue Cross Blue Shield Association. These new names bring together the industry-leading Anthem brand with the strength and value of the Blue Cross and Blue Shield brand.

**ConsumerMedical**

ConsumerMedical, our partner for one-on-one medical decision support, was acquired by Alight Solutions, a leader in technology-enabled health, wealth and HR solutions in October of 2021. ConsumerMedical is now fully integrated with Alight Solutions, with the new name and logo on all digital and print communication. While the ConsumerMedical name is being replaced by Alight Solutions, the Medical Ally name and call center resources continue.

**Payflex**

Payflex, our Flexible Spending Account and COBRA administrator, will become Inspira Financial in early 2024. Inspira will provide the same services as they do today.

Save Money with Flexible Spending Accounts

Important: To participate in an FSA in 2024, you must enroll – even if you’re participating in one now.

Health Care FSA

Pay for qualified medical expenses not covered by your insurance plan, such as copays or vision and dental services. You can use your PayFlex debit card to pay upfront for qualified medical expenses. For standard health care copays for prescription drugs, office visits or lab/X-ray services, you won’t have to submit a receipt. You will be notified if an expense requires documentation, and you must submit any requested documentation to keep your account active and avoid being taxed on unsubstantiated expenses.

Dependent Care FSA

Pay for employment-related dependent care services, such as preschool, summer day camp, before or after school programs, and child or adult daycare, for your children under age 13 or dependent relatives. The RF provides an annual subsidy to your Dependent Care FSA, ranging from $300 to $800, based on your full-time salary. If you work part-time, your salary is converted to the full-time equivalent annual salary for purposes of the subsidy. You must elect the subsidy to receive it.

Plan Carefully

According to IRS rules, any money left in your FSA at the end of the year is forfeited. For the 2024 plan year, a grace period gives you until March 15, 2025 to incur expenses and until March 31, 2025 to file claims. Plan carefully to ensure you have the opportunity to maximize your FSA funds and avoid forfeiting them.
New York State Paid Family Leave Program

The New York State Paid Family Leave Program provides job-protected, paid-leave to bond with a new child, care for a loved one with a serious health condition or help relieve family pressures when someone is called to active military service. This benefit is paid for by employees through payroll deduction and it is not optional for most employees. In 2023, the program was expanded to include care for siblings.

**Available Leave Time:** 12 weeks.

**Benefit Amount:** 67 percent of your average weekly wage, up to a cap of 67 percent of the Statewide Average Weekly Wage of $1,718.15. The maximum weekly benefit for 2024 is $1,151.16.

**Deduction Rate:** .373 percent of weekly earnings capped annually at $333.25.

**Learn More**
For more information about the Paid Family Leave Program and how to apply for benefits, refer to the RF Benefits Handbook at [www.rfsuny.org/benefits](http://www.rfsuny.org/benefits) and select Benefits Publications > Benefits.

**For More Information and Enrollment Forms**
To find more information about your benefits please visit [www.rfsuny.org/benefits](http://www.rfsuny.org/benefits) or contact your campus Benefits Office. If you are unable to enroll online, you can submit the required enrollment forms to your campus Benefits Office. To obtain the required enrollment forms visit the RF Benefits website at [www.rfsuny.org/benefits](http://www.rfsuny.org/benefits).

**Need an RF Website Password?**
Most information on the RF Benefits website is accessible without a login, but some sections require a user name and password. If you don’t yet have a user account, visit [www.rfsuny.org/signup](http://www.rfsuny.org/signup).
Benefits Reminders!

Update Your Beneficiaries
Your beneficiary receives valuable benefits available from your Life Insurance plan and your retirement benefits. Make sure you enter a name of who will receive benefits upon your death. Do not enter your name as a beneficiary. Life insurance benefits are generally not governed by an individual’s will and the only way to make sure that the benefits of the policies are distributed to the appropriate parties is by naming the beneficiaries appropriately.

Retirement Plans: www.tiaa-cref.org/rfsuny

Total Rewards Statements Available in March
Your 2023 Total Rewards Statement will be available at the end of March 2024. If you have an email address on file with the RF, watch your inbox. Or, go to My Total Rewards Statement on the Employee Self Service site.

Your Total Rewards Statement shows your salary as well as the amounts the RF contributed for your benefits in 2023.*

* Total Rewards Statements do not include the RF’s contributions to NYS Disability and Workers’ Compensation, paid time-off benefits that are fully paid for by the RF.

About This Benefits Bulletin

This document is intended to provide a brief overview of changes taking effect. It is not meant to be all-inclusive. If there are any conflicts between the information presented in this document and the legal plan documents, the legal plan documents will govern. The Research Foundation reserves the right to change or terminate the plans at its discretion.

This Benefits Bulletin is available online at www.rfsuny.org/benefits by selecting Benefits Publications under Quick Links.

Annual Notices

Annual Notice of Women’s Health and Cancer Rights Act

Did you know that the Women’s Health and Cancer Rights Act of 1998 requires that all RF health plans provide benefits for mastectomy-related services?

Services include all stages of reconstruction and surgery to achieve symmetry between the breasts, fashion prostheses and correct complications resulting from a mastectomy, including lymphedemas.

For more information, refer to the Benefits Handbook, available from the RF Benefits website (www.rfsuny.org/benefits) under “Quick Links” or from your campus Benefits Office.

Reminder of Health Plan Privacy Practices

There is a “Notice of Privacy Practices” that describes how protected health information (PHI) may be used or disclosed by your group health plan to carry out payment, for health care operations and for purposes that are permitted or required by law. This notice also sets out legal obligations of the RF concerning your PHI and describes your rights to access and control it.

You can access this notice on the RF Benefits website (www.rfsuny.org/benefits Health Insurance > Legal Notices) or you may request a paper copy of the notice from your campus Benefits Office.

Availability of Optional Retirement Plan

As an employee of the Research Foundation, you can participate in the RF’s Optional Retirement Plan without a waiting period. Your contributions to the plan reduce your taxable income by the amount you contribute, and earnings accumulate tax-free. The contributions are subject to the annual IRS limits. You may enroll or change your contribution in Employee Self Service (www.rfsuny.org/selfservice) or by completing the Optional Retirement Plan Salary Reduction Agreement and returning it to your campus Benefits Office.

Specialty Pharmacy Copay Assistance Program

The Research Foundation for SUNY offers a specialty pharmacy copay assistance program.

Please note that there are certain specialty pharmacy drugs that are considered non-essential health benefits under the plan and the cost of these drugs will not be applied toward satisfying the participant’s out-of-pocket maximum. Although the cost of these drugs will not be applied towards satisfying a participant’s out-of-pocket maximum, the cost of the drugs will be reimbursed by the manufacturer at no cost to the participant. A listing of these drugs can be found at www.express-scripts.com.

Copays for certain specialty medications may be set to the max of the current plan design or any available manufacturer-funded copay assistance.

Watch for Your 1095 Tax Form

As required by the Affordable Care Act (ACA), you will receive a Form 1095 in February. The form serves as a statement of the health insurance you enrolled in and are eligible for. You will need this form to complete your tax return, but you do not need to send this form in with your 2023 tax returns. Be sure to keep it with your other tax documentation. To ensure you receive your Form 1095, make sure your address is up to date with your Human Resources Department.
Benefits Open Enrollment:
